

ASCE-IL SECTION MENTORSHIP PROGRAM

Thank you for applying to become an ASCE Protégé. Please note that through submission of this application, it does not guarantee that you will be accepted as a Protégé. Final selection is based on the completion of this application, university class seniority, available number of ASCE Mentors, and alignment of interests with a Mentor.

ASCE-IL Section Protégé Requirements

1. Must be either:
 - a. a current engineering undergraduate/or graduate student attending one of the following universities: Illinois Institute of Technology, Northwestern University, the University of Illinois at Chicago, or City Colleges of Chicago.
 - b. a recent engineering graduate (2023, 2024 or 2025 graduation date) and working within the ASCE-IL Section.
2. Must be a registered ASCE-IL Section Student or Associate Member
3. Committed to participating with their ASCE Professional Mentor
4. Most recent resume

Mentorship Program Prizes

ASCE-IL Professional Mentors and Protégés that satisfactorily participate in at least four (4) events together that are listed below will be recognized as successfully meeting the requirement and receive a Certificate of Completion. Events/Activities that qualify include:

- Mentor/Protégé virtual or in-person meeting (1-on-1)
- Mentor/Protégé meet for a visit at the Mentor's work environment
- Attend the ASCE-IL Section event or Institutes hosted event (EWRI, GI, SEI, T&DI, UP&D, UESI and/or YMG)
- Volunteer at an ASCE Student Outreach Committee event
- Attend an ASCE hosted Conference together
- Participating at another event pre-approved by the Mentorship Committee

On a final note, please acknowledge that this is a professional relationship and time commitment. We want all Mentor/Protégé pairs to succeed in the program together.

Upon completion of this application, please submit an electronic Protégé application no later than **November 15th, 2024** to stoutcommittee@gmail.com. Mentor/Protégé pairs will be announced on **November 22nd, 2024**.

Thank you!
